The City Council wants to hear from you!

Lately, more semi-trucks are parking along city streets throughout the City of Memphis. To help the council make informed decisions, we are asking residents to share their thoughts on whether the city should create an ordinance that limits semi-truck parking on streets and public rights-of-ways. Your input will help guide future policy.

Please scan the QR code or visit the website to fill out the survey. Your response is anonymous. Thank you for taking a moment to complete this survey.
